Celebrating & Serving Literature Since 1980

Since 1980, we have published a book magazine with you, the discriminating book reader, in mind. We don't plug the mega-bestsellers. We don't push celebrity biographies or "how-to-get-richer-thinner-smarter-happier books." And we don't hype books or authors that are reviewed in every newspaper and magazine in the country.

You hear enough about them already.

The Bloomsbury Review® is not slick, stuffy, fluffy, snobby, ponderous, or presumptuous.

The Bloomsbury Review® is simply lively writing about good reading and great writers.

We would be honored if you subscribed to *The Bloomsbury Review* and would suggest that you also consider giving a subscription to members of your family and your bibliophile friends. It's a gift that will continue throughout the year and remind them with each issue how very special *you* are. What could be a better gift than that? We'll even send them a note from you telling them how wonderful *they* are, just to remind them how thoughtful you are.

- \$20 for 1 year (6 issues).
- \$35 for a 2-year subscription or two 1-year subscriptions.
- \$48 for one 3-year subscription or three 1-year subscriptions.
- Or, better yet, \$300 for a Lifetime Subscription.
- Canada—\$34 US per year/1st class/6 issues.
- Overseas—\$46 US per year/1st class/6 issues.

We look forward to bringing you the best in books for many years to come.
